THE VALUE-PREMIUM SWEET SPOT:

Adruva positions **above commodity freelancers** (who use default, uncrafted fonts) and **below bloated consultancies** (who use stale corporate serifs). Our hybrid typography (Plus Jakarta + Inter + IBM Plex Mono) conveys high-velocity engineering, disciplined scoping, and measurable ROI.

- RADICAL CLARITY PRINCIPLE

Pricing Ladder & Scoping UI Typography

According to Section 6 & 8 of AS-KB-001, transparency in pricing removes friction. Here is how typographic hierarchy enforces commercial trust:

PACKAGE TIER	APPROVED RANGE (INDIA)	GLOBAL QUOTE (USA)	DELIVERY TIMELINE	TYPOGRAPHIC VISUAL WEIGHT
Starter — Launch	₹19,999 – ₹24,999	\$499 – \$799	7–18 working days	INTER SEMIBOLD (CLEAN UI)
Business — Growth (Sweet Spot)	₹49,999 – ₹59,999	\$1,200 – \$1,800	18–35 working days	FEATURED CARD • BOLD BADGE
Premium — Scale	₹99,999 – ₹1,24,999	\$2,500 – \$4,000	30–60 working days	PLUS JAKARTA 800
Web App / Custom SaaS	₹2,99,999+	\$6,000 – \$15,000+	60–150+ working days	CUSTOM ARCHITECTURE CALLOUT

[POPULAR] BUSINESS GROWTH PACKAGE (SV-01)

₹49,999 / \$1,499

8–10 Page Custom Corporate Engine + Dynamic CMS & GA4 Funnel

Includes Next.js 14 SSG build, WhatsApp CRM lead hook, sub-second Core Web Vitals, 2 revision rounds, and 30-day warranty. Delivered without hidden surprises.

• US MARKET STRATEGY (AS-KB-001 SEC 10)

The "High-Velocity AI Partner" Persona Alignment

1. US TECH FOUNDERS (YC / SEED)

Next.js + React Native MVPs in 2-4 Weeks

Buys certainty, rapid sprint turnaround, and 70% savings over \$150k/yr local US hires. Needs sharp geometric authority.

2. US MID-MARKET SMBS (\$2M-\$20M)

AI Agents & Automated Operations

Buys operational labor reduction, instant WhatsApp lead qualification, and document intelligence. Needs data credibility.

3. BAND 1: YOGA & AYURVEDA RETREATS

Direct Booking Engine (0% OTA Cut)

Eliminates 18-30% booking commission bleed. Combines luxury serene editorial aesthetic with frictionless checkout.

4. US DIGITAL AGENCIES (WHITE-LABEL)

Reliable Overflow Engineering Pods

White-label execution under strict NDA. Clean typed codebases, automated CI/CD, and transparent fixed sprint rates.

📋 THE RETAINER CONTINUITY PLAYBOOK (MRR ENGINE):

Essential SLA
₹15k - ₹25k/mo

AI & Automation Care
₹25k - ₹45k/mo

Managed Digital Ops
₹85k - ₹1.8L/mo
